Tennis and Pickleball Programs

Open Clinics are for players 3.0 level and above. All clinics combine instruction, drills and point play with a focus on a different theme each day.

Doubles & Bubbles is our evening matchplay session where players must be able to serve and rally. This session is a fun social environment with some drinks (bubbles) at the end of the class.

Fast Feed Clinic is a fast-paced session which will get your heart pumping and give you a great workout whilst hitting lots of balls!

Pickleball options are available. Our **Pickleball Clinic & Play** will be a 1.5-hour session focusing on techniques, tactics and strategy for the first 45 minutes. The remainder of clinic will put your skills to the test with matchplay! Our 1-hour **Pickleball Skills Clinic** will focus on correct techniques and skills for the game of pickleball.

Dink 'N Drink session is our pickleball matchplay session with a fun, social atmosphere played in a round robin format. Drinks will be served after the dinks at the end of the session.
